#### [Cat. No.] K-6866

#### Introduction

AccuPower® Providencia alcalifaciens Real-Time PCR Kit is a product that can specifically detect Providencia alcalifaciens (P. alcalifaciens) by real-time PCR.

P. alcalifaciens is found in the digestive tract of humans and animals. It is mainly associated with diarrhea in children or overseas travelers. Transmission is known to occur primarily through the consumption of contaminated food. Diarrhea caused by P. alcalifaciens infection appears after incubation period of 1~4 days and may be accompanied by abdominal pain, vomiting, and fever. This infection has been observed to be more common and more severe in children than in adults.

This product contains all Real-time PCR components specific to P. alcalifaciens, including DNA polymerase, dNTPs, and reaction buffer. The users can easily prepare a reaction mixture simply by adding template DNA, Oligo Mix, and DEPC-D.W.

#### **Features & Benefits**

- Convenience: All necessary reactants for real-time PCR are included in a tube (i.e., Master Mix Type), allowing the users to perform reaction simply by adding template DNA, Oligo Mix, and DEPC-D.W.
- Sensitivity: By using BIONEER's HotStart Taq DNA Polymerase that minimizes non-specific reactions and maximizes reaction efficiency, only the target gene can be effectively amplified even with a trace amount of template DNA.

# Components

Components	Amount		
2X Master Mix	625 µl x 2 ea		
Oligo Mix	500 μl		
DEPC-D.W.	1.8 ml		
Positive Control (1x10 <sup>8</sup> copies/µI)	50 μl		

<sup>\*</sup> Note: For research use only. Not for use in diagnostic or therapeutic procedures.

# Composition

	Composition	25 μl reaction
	Taq DNA Polymerase	2.5 U
2X Master Mix	dNTPs (dATP, dCTP, dGTP, dTTP)	Each 300 µM
	Reaction buffer with 2 mM MgCl <sub>2</sub>	1X
	P. alcalifaciens Forward primer	0.6 µM
Oligo Miy	P. alcalifaciens Reverse primer	0.6 µM
Oligo Mix	P. alcalifaciens Probe (FAM)	0.6 µM
	ROX dye	1X

## **Specifications**

Taq DNA Polymerase				
5'→3' exonuclease activity	Yes			
3'→5' exonuclease activity	No			
3'-A overhang	Yes			

#### Storage

Store at -20°C. If stored in the recommended temperature, this product will be stable until the expiration date printed out on the
