

Material Safety Data Sheet
Version No.: 0(Rev. date : 2026-06-29)**YPD Glycerol type**

1. Product and company identification

A. Product Name: YPD glycerol type

B. Recommended Use: For research and development use only.

Not for pharmaceutical, household, or any other uses.

C. Supply Information

☐ Company: BIONEER☐ Address: BIONEER Global Center 71, Techno 2-ro, Yuseong-gu, Daejeon, 34013, Republic of Korea☐ Emergency telephone number: +82-1588-9788

2. Hazards identification

A. Classification of the substance or mixture

GHS Classification

Not a hazardous substance or mixture.

B. Label elements

☐ Hazard pictograms: N/A☐ Signal word: N/A☐ Hazard statements: N/A☐ Precautionary statements: N/A

C. Not a hazardous substance or mixture according to Regulation (EC) No 1272/2008.

Hazards – Other hazards which do not result in classification – Hazard Risk

Not applicable

3. Composition/information on ingredients

Component	Synonyms	CAS. No.	Concentration(%)
Yeast extract	–	–	2
Peptone	–	–	2
Dextrose	Glucose	50-99-7	2

Glycerine

Glycerol

56-81-5

30%

4. First aid measures

1 Description of first aid measures

A. In case of eye contact

After eye contact: rinse out with plenty of water. Remove contact lenses.

B. In case of skin contact

In case of skin contact: Take off immediately all contaminated clothing. Rinse skin with water/ shower.

C. If inhaled

Remove person to fresh air and keep comfortable for breathing.

D. If swallowed

Call a poison center or a doctor if you feel unwell.

E. Other medical advice or treatment

Treat symptomatically.

A. Most important symptoms and effects, both acute and delayed

irritant effects

B. Indication of any immediate medical attention and special treatment needed

No information available.

5. Fire-fighting measures

A. Suitable (and unsuitable) extinguishing media

Suitable extinguishing media: Water spray, dry powder, foam, carbon dioxide.

Unsuitable extinguishing media: No data available

B. Special hazards arising from the substance or mixture

No data available

C. Special protective equipment and precautions for fire-fighters

Protection during firefighting:

Do not attempt to take action without suitable protective equipment.

Self-contained breathing apparatus.

Complete protective clothing.

6. Accidental release measures

A. Personal precautions, protective equipment and emergency procedures

Do not inhale vapor, mist, or gas.

B. Environmental precautions and protective procedures

No environmental precautions are required.

C. Methods and material for containment and cleaning up

Clean up contaminated areas.

7. Handling and storage

A. Precautions for safe handling

☐ Precautions for safe handling

Ensure good ventilation of the work station.

Wear personal protective equipment.

☐ Hygiene measures

Do not eat, drink or smoke when using this product.

Always wash hands after handling the product.

B. Conditions for safe storage

☐ Storage conditions

Store in a cool, dry, and well-ventilated place in a tightly closed container.

8. Exposure controls / personal protection

A. Occupational Exposure Limits

No data available

B. Appropriate engineering controls

Appropriate engineering controls: Ensure good ventilation of the work station.

Environmental exposure controls: Avoid release to the environment.

C. Personal protection equipment

Respiratory protection: In case of insufficient ventilation, wear suitable respiratory equipment

Eye protection: Safety glasses

Hand protection: Protective gloves

Skin and body protection: Wear suitable protective clothing

9. Physical and chemical properties

-
- A. Appearance: Liquid, amber-brown.
 - B. Odor : No data available.
 - C. Odor Threshold : No data available.
 - D. pH : 5.0 – 8.0
 - E. Melting point : No data available.
 - F. Initial boiling point : No data available.
 - G. Flash point : No data available.
 - H. Evaporation rate : No data available.
 - I. Flammability : No data available.
 - G. Lower explosion limit/Upper explosion limit : No data available.
 - K. Vapor pressure : No data available.
 - L. Water solubility : No data available.
 - M. Relative vapor density : No data available.
 - N. Density : No data available.
 - O. Partition coefficient: n-octanol/water : No data available.
 - P. Autoignition temperature : No data available.
 - Q. Decomposition temperature : No data available.
 - R. Viscosity : No data available.
 - S. Molecular weight : No data available.

10. Stability and Reactivity

- A. Chemical stability and Possibility of hazardous reactions
The product is non-reactive under normal conditions of use, storage and transport.
Stable under normal conditions.
No dangerous reactions known under normal conditions of use.
- B. Conditions to avoid: High temperature
- C. Incompatible materials: Oxidizer
- D. Hazardous decomposition products: No data available

11. Toxicological information

A. Information on exposure routes

No data available

B. Health hazards

Acute toxicity (oral): May be harmful if inhaled.

Acute toxicity (dermal): May be harmful if swallowed.

Acute toxicity (inhalation): May be harmful if absorbed through the skin. May cause skin irritation.

C. Further information : No data available.

12. Ecological information

A. Exotoxicity: No data available.

B. Persistence and degradability: No data available.

C. Bioaccumulative potential: No data available.

D. Mobility in soil: No data available.

E. Other adverse effects: No data available.

13. Disposal considerations

A. Disposal method

Dispose of contents/container in accordance with licensed collector's sorting instructions.

B. Disposal precaution

Dispose contents and vessel in accordance with by the waste disposal law.

14. Transport information

UN RTDG	ADR	IMDG	IATA
A. UN number			
Not regulated for transport			
B. UN proper shipping name			
Not applicable	Not applicable	Not applicable	Not applicable
C. Transport hazard class(es)			
Not applicable	Not applicable	Not applicable	Not applicable
D. Packaging group			
Not applicable	Not applicable	Not applicable	Not applicable

E. Marine pollutant			
Dangerous for the environment: No	Dangerous for the environment: No	Dangerous for the environment: No Marine pollutant: No	Dangerous for the environment: No
No supplementary information available			

F. Special precautions for user: No data available

15. Regulatory information

- A. Regulation by industrial safety and health act: Not information available.
- B. Regulation by chemicals control act: Not information available.
- C. Regulation by safety control of dangerous substance act: Not information available.
- D. Regulation by the waste control act: Not information available.
- E. Regulation by other domestic and foreign regulatory: Not information available.

16. Other information

- A. List of references: Ministry of environment of KOREA, MSDS(Sigma-Aldrich, Bioneer)
- B. Date of issue/revision: First issue date: 2026-06-29
- C. Version: 0

Bioneer Corporation makes no warranty or representation to its completeness, accuracy or currency. This material is intended for use by persons with pertinent technical skills and at their discretion and risk. It is the responsibility of the user to determine the product's suitability for its intended use, the product's safe use, and the product's proper disposal. Disposal of hazardous material may be subject to federal, state or local laws or regulations.
